

## FUN, ECONOMICAL PIANO Lessons AFTER SCHOOL TUESDAYS at SR French American Charter

### EVERY CHILD LOVES MUSIC.

Educators have discovered early, positive musical experiences are uniquely important for children, and help develop physical coordination, timing, memory, visual, aural & language skills.

Move Over Mozart (M.O.M.) is a piano learning program established in 1988 with over 1,000 kids enrolled in piano classes at schools throughout Sonoma County. Kids enjoy the social aspect of the group lessons, and while each child takes a turn playing his/her assignment with the teacher, the other children work individually in theory books where they learn how to read music and learn to play their lesson book assignments or work collectively on musically-enforcing games and activities.

**COST:** ONLY \$35 per month for group, plus a yearly enrollment fee of \$20 (includes 2 books)

**LOCATION:** At school/After School. After school care children will be picked up and returned.

**DATES:** Lessons start Tues, Jan 9th and go through May. Piano recitals held in January and May.

**HOW THE CLASS WORKS:** Piano lessons are held after school, one day per week, in 30 minute sessions with 5 kids maximum in each group. Day Care kids come to later classes. Piano teachers will arrange to escort kids who are in an on-site daycare facility to and from piano class. May discontinue by calling 824-0307. First month's tuition and enrollment fee are non-refundable.
