

# SRFACS Foundation

## Our purpose:

- Maximize parent and community involvement along with financial support of the vision of the school, prioritizing this bilingual immersive education of our students.
- Our goal for the Family Giving Campaign is to raise \$100,000 for the school.
- **We are asking for a donation of \$700 per student, but please give as you are able, every donation helps**

## Why do we need to raise additional funds?

- SRFACS is a public school and receives most of its funding from the state.
- Enrollment and therefore funding are expected to be lower this year.
- Funding to support our French curriculum and accreditation comes largely from donations.
